Dear Neighbors,

In the last Swillburg newsletter there was a meeting announcement for street leaders interested in setting up a block club. If a block club is set up before February 2006, the block club will receive \$75 from SNA towards its first project.

Benton Street was lucky enough to have two representatives at this meeting:

Jessica Hannum – 383 Benton Street
Kelley Mariano – 510 Benton Street

We are going to work together with the help of SNA to set up the Benton Block Club, which will include all of Benton Street and Pappert Place. In order to set up our block club three things need to happen:

1. Have a meeting
2. Elect officers
3. Collect membership dues

The meeting is scheduled to take place on **Thursday, November 17** at the **NET Office**. Desserts and refreshments will be served at the meeting. **Matt Wawrowski, Sr. Project Manager**, has been invited to speak about the Dynaburg property located at Benton Street and South Clinton. For those of you who are not aware, this property is a brown-field site and is currently in the remediation process. Matt will explain what is happening at the site, how long the remediation process will take, and answer questions from the group.

In addition, officers will be elected and membership dues of \$1.00 per household will be collected. The meeting will also include a discussion on the best way to spend the \$75 from SNA. We have also been made aware of other funding opportunities, so we would like to take some time to brainstorm projects for Benton Street and Pappert Place.

If you cannot attend the meeting, or you have any questions, you can contact either of us based upon where you live:

Benton between Beaufort & South Clinton or on Pappert Place your contact is:

Jessica Hannum – 461-2777
